AmeriCorps Iowa has summer positions available! Requirement: 300 hours over 10 weeks. These positions earn $2,823 in living allowance and if you complete your term of service, you earn $1,342 in education award. With a little modification, this may also qualify for the JMC: Field Experience course!

Depending on the type of schedule you have set up, one of these part-time positions might be a great fit while also completing your studies.

- 1 part-time (20 hours a week) position at CommUnity Crisis Services & Food Pantry
- part-time (20 hours a week) positions at Coralville and North Liberty food pantries

Anyone interested can apply HERE and there is more information on our website and on our Facebook page.

These are all direct service (programmatic) opportunities where AmeriCorps members would be supporting the daily activities of the Food Bank or Clothing Closet at CommUnity, Coralville and North Liberty or helping clients to access resources for other basic needs. The AmeriCorps members gain experience interacting with clients, providing or recommending community resources, assisting with inventory/donation intake and distribution, training and assisting volunteers, and organizing logistics for events like mobile food pantry days. Depending on the skills of the AmeriCorps member, they may be able to do some additional activities like social media content creation, or creating resources for clients to better utilize the services (recipe cards, updated resource guides).

I’m happy to help any student interested in national service and non-profits connect to an AmeriCorps national service opportunity that fits their interests and needs. Feel free to email jessi.carver@iowaeda.com or call (515.348.6152) me!
